Dear Sir or Madam

Please accept my application for the position of Data Science and Analytics Specialist which is currently posted on the jet2careers website.

I am currently a Data and Software Engineering Coach with FDM Group based in Leeds and I am highly experienced in building relationships and collaborating to maximise commercial benefits to each companies I have worked with.

I am very experienced in developing Data Engineering applications using Python, Scala, Spark, SQL utilising Databricks, VS Code, MySQL, GCP.

As a trainer/coach I mentor, manage, guide trainees in coding standards as well as leading collaborative teams.

I am highly experienced in the airline industry in conjunction my current background in developing data applications and bringing insights into multiple data sources means I will bring great value to Jet2.

I look forward to hearing from you soon.

Yours Sincerely
